JOIN EUROPE’S LEADING UROGYNAECOLOGISTS

Membership to the European Urogynaecological Association is open to all professionals who are involved in the care of women with lower urinary tract or pelvic floor dysfunction (such as obstetricians/gynaecologists, urogynaecologists, urologists, and nurses). The table below will help you decide which membership level is right for you. Register online at www.eugaoffice.org

**FULL MEMBER**
For: Clinicians or scientists in the field  
Annual fee: € 100  
You will receive:  
- Access to specialised training  
- Europe – wide professional network to share scientific information  
- Reduced congress/event fees  
- Free 12 month subscription to EJOG  
- Full website access (congress slides and other member-only contents)

**ASSOCIATE MEMBER**
For: Physician Assistants/Associates, Nurses and Medical Students  
Annual fee: € 40  
You will receive:  
- Access to specialised training  
- Europe – wide professional network to share scientific information  
- Discounted 12 month subscription to EJOG  
- Full website access (congress slides and other member-only contents)

**THE ANNUAL FEE FOR DOCTORS IN TRAINING IS € 20**

EUGA SCIENTIFIC COMMITTEE
Chair: Michele Meschia (Italy)
Members: Jan Deprest (Netherlands), Gert Naumann (Germany), Kamil Svabik (Czech Republic), Carl Huibert van der Vaart (Netherlands)

Local Members
Roberto Baccichet (Italy), Maurizio Serati (Italy), Marco Soligo (Italy)

EUGA INDUSTRY LIAISON COMMITTEE
Chairs: Ash Monga (UK), Stavros Athanasiou (Greece)

EUGA EDUCATION COMMITTEE
Chairs: Montserrat Espuña Pons (Spain), Dudley Robinson (UK)
Members: Marcin Jozwik (Poland), Christian Phillips (UK), Cristina Ros (Spain), Shimon Ginath (Israel), Jan-Paul Roovers (Netherlands)

EUGA PUBLICATION COMMITTEE
Chair: Maurizio Serati (Italy)
Members: Ilias Giarenis (UK), Rwan Fernando (UK), Tomasz Rechberger (Poland), Ralf Tunn (Germany), Rosa Maria Laterza (Austria), Marco Torella (Italy)

EUGA ACCREDITATION COMMITTEE
Chair: Eckhard Petri (Germany)
Dear all,

It is my great pleasure to welcome you at the 11th annual EUGA meeting in Milan. It is my particular privilege as actual EUGA President to co-chair with Michele Meschia this event in the city where I work. Milan is a very dynamic and attractive place, that has been changing dramatically over the last decade. A mixture of history and modernity, art and technology can be found in this city. Milan pretends to be in the forefront in Europe for efficiency and productivity. It is therefore an ideal place to host the EUGA meeting.

EUGA is continuing to grow up in terms of members and activities. The last annual meeting in Barcelona, in a very particular moment for that place, has been very successful. This year we expect even more attendants and, most of all, more good quality abstracts submitted.

We need a direct involvement of the highest number of members both for the scientific component and for the management of the association.

The following years will be a great challenge. We have to be enough attractive to members and sponsors. The only way to do so is maintaining and, possibly increasing, quality. This can be done with the great commitment of EUGA members.

I am sure that Milan will represent a significant phase towards a more and more important role of EUGA in the scientific panorama related to female pelvic floor dysfunction.

Stefano Salvatore, EUGA President & Meeting Chair

Dear Colleagues,

It’s truly an honour for me to welcome you to the forthcoming 11th EUGA annual meeting, October 25-27, 2018, at the Marriott Hotel in Milano, which is near and easily connected to the city center.

Are you planning to attend? Well if you are still undecided, let me paint a picture.

The city of Milan is Italy’s business capital, home to a booming fashion and design industry. As well as a great place for shopping and people-watching, where you will be able to spot some of the latest style trends. From some of the greatest restaurants in a country already well-known for its gastronomy to theatres, museums and stunning monuments, there is something for everyone in Milan.

A great deal of thought went into formulating not only a stimulating scientific program, but also the preparation of a most enjoyable social program, with the aim to make you familiar with the fascinating and inspiring atmosphere of Milano. The EUGA is really a special medical meeting, with its own unique culture and focus. It provides European Urogynaecologist with a chance to showcase their work, exchange ideas, and meet with key European opinion leaders in Urogynaecology, while still having fun with friends and colleagues. The meeting itself will provide the clinical and academic content that you have come to expect from EUGA. There will be a wide offering of workshops on timely topics to enhance your practice. The latest scientific research will be interspersed with focused keynote lectures. We will feature sessions on the management of genitourinary pain, pathogenesis of OAB, prevention of birth trauma, and sexual medicine. There will also be debates on robotics, mini-invasive surgery for SUI and refractory OAB. Abstract and video sessions have been scheduled during the meeting with podium presentations and posters, giving the opportunity to researchers to discuss scientific results with the floor.

So don’t miss this opportunity to enhance your practice and visit one of the most charming city in Italy.

See you in Milano!

Michele Meschia, Chair of EUGA Scientific Committee & Meeting Chair
TIMETABLE

25.10.18
10.00 Welcome & Registration
11.00 - EUGA meets Italian Societies
13.30 - EUGA Parallel Workshops
14.30 - EUGA Symposium
16.30 EUGA Symposia
17.30 Introductory Lecture
18.00 Pierre Fabre Symposium 1
18.50 Historical Lecture
19.10 - EUGA Congress Welcome

26.10.18
08.00 Abstract Session 1
09.00 Keynote Lecture
09.30 SESSION 1
10.30 Session 2
11.00 Abstract Session 2
12.30 Lunch Meeting
13.00 Scientific Meeting
13.50 Pierre Fabre Symposium 2
15.30 Fotona Symposium
15.50 Session 3
16.10 Coloplast Symposium
17.10 Session 4
17.30 Session 5
18.30 Session 6
20.30 EUGA Dinner

27.10.18
08.00 AGM
10.00 SESSION 5
11.00 SESSION 6
13.00 Closing Lecture
13.45 Closing Remarks & Abstract Awards

EUGA Dinner is included in the registration fee. To secure your place, please tick the appropriate box when registering either online or with the paper form. Please notice there is limited availability, and places will be assigned on a first-come-first-served basis.

WORKSHOPS

Urodynamics | Ultrasound | Pelvic Physiotherapy | Laparoscopy for POP | Plastic Gynaecology | Contura Workshop (See page 21)
10:00  Registration to the EUGA 2018 Annual Meeting

ECM/CME 11:00 – 13:30  EUGA MEETS THE ITALIAN SOCIETIES: AIUG, GLUP, SIUD
In English and open to all delegates

11:00 – 12:15  Body weight and pelvic floor health
Chairs: Mauro Cervigni, Vincenzo Li Marzi, Marco Torella
11:00  Impact of weight gain on pelvic floor health M. Serati
11:15  Metabolic syndrome and urinary dysfunctions C. De Nunzio
11:30  Pelvic surgery in the obese patient S. Anastasio
11:45  Role of bariatric surgery G. Sarro
12:00  Discussion

12:15 – 13.30  Stress urinary incontinence: complex cases management
Chairs: Roberto Baccichet, Roberto Carone, Giuseppe Ettore
12:15  Mixed urinary incontinence A. Braga
12:30  Recurrent SUI M. Torella
12:45  SUI and prolapse G. Bellini
13:00  SUI and voiding dysfunction M. Soligo
13:15  Discussion

13:30 – 14:30  Light Lunch
Coffee Station available in the Exhibition Area from 15:30 to 16:30

CME 14:30 – 16:30  EUGA WORKSHOPS

14:30-16:30  WS | URODYNAMICS
Chair: Dudley Robinson
Introduction D. Robinson
Assessment and Initial Management of Lower Urinary Tract Symptoms A. Rantell
Cystometry A. Rantell
Videocystourethrography D. Robinson
Ambulatory urodynamics A. Rantell
Urethral Pressure Profilometry A. Rantell
Special Considerations: Neurogenic Patients D. Robinson
Special Considerations: Elderly A. Rantell
Group discussion A. Rantell, D. Robinson

14:30-16:30  WS | LAPAROSCOPY FOR POP
Chair: Christian Phillips, Alfredo Ercoli
The workshop will be divided into two small groups: Group A | 24 delegates: Watch lectures and then practice on trainers; Group B | 24 delegates: Practice on trainers and then watch lectures. WS requires a 50€ extra fee.
Welcome and Introduction A. Ercoli
Laparoscopic suturing techniques: tips and tricks F. Carmona, A. Thurkow
Group A
Sacrocovlopexy: anatomy and procedure steps C. Phillips
Hysteropexy / Pectopexy with / without hysterectomy? M. Blaganje
Update from IUGA SIG recommendations B. Deval
Group B: Lectures - Group A: Laparoscopic trainers

Group B
Sacrocovlopexy: Anatomy and procedure steps N. Veit-Rubin
Hysteropexy / Pectopexy with / without hysterectomy? I. But
Update from IUGA SIG recommendations B. Deval
Closing C. Phillips
14:30-16:30  WS | PELVIC PHYSIOTHERAPY  
Chair: Bary Berghmans
Anatomy and Pathophysiology of Fecal Incontinence  
B. Berghmans
ICS – IUGA Terminology for Fecal Incontinence  
B. Berghmans
Functional Evaluation of the Pelvic Floor in Fecal Incontinence  
M. Seleme
Evidence-Based Update on Conservative Treatments for Fecal Incontinence  
B. Berghmans
Clinical practice of Pelvic Floor Exercises for Fecal Incontinence based on the 5 Fs program  
B. Berghmans, M. Seleme

14:30-16:30  WS | ULTRASOUND  
Chair: Kamil Svabik
Focus: utilisation of different approaches in pelvic floor assessment in typical clinical situations.
Presentation of transperineal, introital, endoanal approaches including 3D/4D pelvic floor ultrasound.

14:30-16:30  WS | EUGA PLASTIC GYNAECOLOGY  
Chairs: Massimiliano Brambilla, Elena Fasola, Cosimo Oliva, Stefano Salvatore
Anatomic Landmarks | The Urogynecologist meets The Plastic Surgeon Level 3: anatomic, functional and reconstructive aspects  
A. Ercoli
The Vulva: anatomic Basis of Plastic and reconstructive surgery  
M. Brambilla
The Wide Vagina: physiopathologic basis and actual treatments  
C. Oliva
Decisional Algorithm for vulvar and vaginal stenosis treatment  
M. Brambilla
Vulvar Reconstructive Surgery by Anatomic Compartments  
S. Gentileschi
Discussion
Aestetic Medicine and new technologies for genital area  
E. Fasola
The Plastic and Reconstructive Surgeon  
N. Berreni
Urogynaecological Ageing and the role of Laser  
S. Salvatore
Discussion

14:30-16:30  CONTURA WS (see p. 21)

16:30  ASTELLAS SYMPOSIUM (see p. 21)  

17:30  Introductory lecture | Update on urogenital infection  
F. De Seta
Chairs: Stavros Athanasiou, Linda Cardozo, Stefano Salvatore

18:00  PIERRE FABRE MEDICAMENT SYMPOSIUM 1 (see p. 21)

18:40  EUGA Congress Welcome  
S. Salvatore, M. Meschia

18:50  Value Based Healthcare Urogynaecology  
Introduction: Stefano Salvatore  
G. Banfi

19:10-21:00  Welcome Reception  
@Exhibition Area
ABSTRACT SESSION 1 - PREGNANCY AND DELIVERY / IMAGING AND ASSESSMENT

Chairs: Carl Huibert van der Vaart, Michele Meschia, Jan Deprest

Podium Presentations (PP) are scheduled to last 75 minutes (5 minutes for presentation, 25 minutes for discussion)

1 - PP
PREDICTING PATIENT PREFERENCE FOR MODE OF DELIVERY FOLLOWING OBSTETRIC ANAL SPHINCTER INJURY
Cole Jennifer, Bulchandani Supriya

2 - PP
PELVIC FLOOR DISFUNCTION: THREE MONTHS VERSUS ONE YEAR AFTER DELIVERY FOLLOW UP. A SINGLE CENTER STUDY.
Turri Alice, Brembilla Gloria, Soligo Marco, Nelva Stellio Leonardo, De Ponti Elena, Costantino Esterina, Cetin Irene

3 - PP
DYNAMIC MAGNETIC RESONANCE IMAGING TO QUANTIFY PELVIC ORGAN MOBILITY AFTER TREATMENT FOR UTERINE DESCENT: DIFFERENCES BETWEEN SURGICAL PROCEDURES
van IJsselmuiden Melanie, Lecomte-Grosbras Pauline, Brieu Mathias, Cosson Michel, van Eijndhoven Hugo

4 - PP
PERINEAL PAIN FOLLOWING VAGINAL DELIVERY IN RELATION TO DEGREES OF PERINEAL TRAUMA: A PROSPECTIVE COHORT STUDY
Immink-Duijker Saskia J., Becking Ellis C., Bonsel Gouke J., van der Vaart Huub C.H.

5 - PP
KIELLAND ROTATIONAL FORCEPS: IS IT SAFE FOR THE MOTHER?
Ortega Ismael, Dietz Hans Peter, Medina Castellano Margarita, Lasca Modrego Maria, Perez Morales Maria Elena, Fernandez Mederos Abian, Garcia Hernandez Jose Angel, Martin Martinez Alicia

6 - PP
CHANGES OVER TIME OF THE SPECIFIC CONTRIBUTION OF VARIOUS RISK FACTORS FOR OBSTETRIC ANAL SPHINCTER INJURIES (OASIS).
Ekstein-Badichi Naava, Shoham-Vardi Ilana, Weintraub Adi Y.

7 - PP
SURGICAL INDICATION FOR PELVIC ORGAN PROLAPSE: IS IT POSSIBLE TO PREDICT IT PRIOR TO PHYSICAL EXAMINATION?
Nelva Stellio Leonardo, Turri Alice, Soligo Marco, De Ponti Elena, Casati Patrizia, Cetin Irene

8 - PP
RISK FACTORS AND OUTCOME OF REPAIR OF OBSTETRIC ANAL SPHINCTER INJURIES AS FOLLOWED UP IN A DEDICATED PERINEAL CLINIC.
Anglim Breffini, Kelly Linda, Mason Olivia, Fitzpatrick Myra

ECM/CME

09:00
Keynote Lecture : How do I manage a patient with genito-urinary pain
M. Cervigni

CME

09:30 – 10:30
SESSION 1 | WHICH IS THE MOST LIKELY PATHOGENESIS OF OVERACTIVE BLADDER SYNDROME
Chairs: Linda Cardozo, Heinz Kolbl, Giulio Del Popolo

09:30
The urinary microbiome
V. Khullar

09:42
Inflammation and metabolic syndrome
A. Tubaro

09:54
Urogenital aging
D. Robinson

10:06
Neuro-muscular theory
K. E. Andersson

10:18
Discussion and Voting

10:30 – 11:00
Coffee Break

11:00 – 12:30
ABSTRACT SESSION 2 - INCONTINENCE AND PROLAPSE

Chairs: Karim Svakib, Maurizio Serrati, Roberto Bacchiet

Podium Presentations (PP) are scheduled to last 75 minutes (5 minutes for presentation, 25 minutes for discussion)

9 - PP
INTRAOPERATIVE EVALUATION OF THE DISTANCE BETWEEN MCCALL SUTURES AND URETERS. PRELIMINARY RESULTS.
Mikos Themistoklis, Pantazis Konstantinos, Dampala Kalliphi, Lioupis Matteo, Saranti Evangelia, Grimbizis Grigoris

10 - PP
LONG TERM ANATOMICAL OUTCOMES AND 5-YEARS RECURRENCE-FREE SURVIVAL AFTER NATIVE-TISSUE PROLAPSE SURGERY
Frigerio Matteo, Deo Giuseppe, Cola Alice, Palmieri Stefania, Manodoro Stefano, Milan Rodolfo

11 - PP
COMPARISON OF NINE SURGICAL TREATMENTS FOR WOMEN WITH STRESS URINARY INCONTINENCE: A COST-EFFECTIVENESS AND VALUE OF INFORMATION ANALYSIS

12 - PP
A COMPARISON OF INTRA- AND POSTOPERATIVE OUTCOMES BETWEEN LAPAROSCOPIC SACROHYSTEROPEXY VERSUS VAGINALASCROSPINUS HYSTEROPEXY IN TREATMENT OF UTERINE PROLAPSE: A RANDOMIZED STUDY (LAVA-TRIAL)
van Isselmuiden Melanie, Bongers Marlies, van de Pol Geerte, Vallobregt Astrid, Radder Celine, Housmans Susanne, Deprest Jan, van Eijndhoven Hugo
13 - PP  HYSTERECTOMY WAS ASSOCIATED WITH LOW URINARY TRACT SYMPTOMS: A NATIONWIDE, POPULATION-BASED STUDY
Pei-Chen Li, Hsueh-Kai Huang, Dah-Ching Ding

14 - PP  THE DURATION OF EFFECT AND SATISFACTION RATE OF FUNCTIONAL MAGNETIC STIMULATION IN WOMEN WITH REFRACTORY NEUROPATHIC OVERACTIVE BLADDER SYNDROME
Serdeniak Tamara, Golest Sonja, But Igor

15 - PP  PLATELET RICH PLASMA AS ADJUVANT THERAPY OF RECURRENT VESICO-VAGINAL FISTULA - PRELIMINARY REPORT
Futyma Konrad, Streit - Cieckiewicz Dominika, Kaminska Aleksandra, Mitura Przemyslaw, Rechberger Tomasz

16 - PP  SURGICAL MANAGEMENT OF PELVIC ORGAN PROLAPSE IN WOMEN: VAGINAL NATIVE TISSUE REPAIR VERSUS LAPAROSCOPIC LATERAL SUSPENSION WITH MESH: A 1-YEAR FOLLOW-UP.
Martinelli Ruby, latiftea Ikaria, A Ria Enrica, Scudiero Gennaro Francesco, Indaccolo Ugo, Da Pozzo Francesco, Stuto Angelo, Greco Panteleo

17 - PP  CLINICAL EVALUATION OF THE UPHOLD LITE MESH FOR THE SURGICAL TREATMENT OF UTERINE-PREDOMINANT PROLAPSE: A PROSPECTIVE, MULTI-CENTER TRIAL.
Lucia Allegro, Philippe Deloedincine, Christophe Courtieu, Xavier Frittel, Melanie Cayrac, Brigitte Fatton, Renaud De Tayrac

18 - PP  12-MONTH NATURAL HISTORY OF FIRST STAGE VAGINAL PROLAPSE/LAXITY OF THE POSTERIOR VAGINAL WALL IN WOMEN SUBMITTED TO RECONSTRUCTIVE PELVIC SURGERY FOR PELVIC ORGAN PROLAPSE
De Bastiani Sarah, Degliuomini Rebecca, Galdini Alessandro, Castellano Laura Mariangela, Redaelli Anna, Salvato Stefano, Candiani Massimo

19 - PP  PEPTOPEXY: FIRST OPERATIVE DATA FROM A MULTI-CENTER INTERNATIONAL TRIAL.
Anapolski Michael, Schiermeier Sven, Noe Gunter Karl

20 - PP  PELVIC ORGAN SURGERY USING UPHOLD TM VAGINAL MESH: IS CONCOMITANT HYSTERECTOMY A RISK FACTOR FOR MESH EXPOSURE?
Abdirahman Syad, De Tayrac Renaud, Fatton Brigitte

---

CME 12:30 – 13:00  SESSION 2 | ROBOTICS IN UROGYNAECOLOGY @ Washington Room

12:30 Robotics in Urogynaecology B. O’Reilly
12:40 How to set up a robotics programme in your hospital S. Schraffordt Koops
12:50 The future of robotic surgery A. Ercoff

13:00 – 13:50  BOSTON SCIENTIFIC LUNCH MEETING (see p. 22) @ Foscolo Room

13:00 – 13:50 Lunch @ Exhibition Area

13:50  PIERRE FABRE MEDICAMENT SYMPOSIUM 2 (see p. 22) @ Washington Room

14:30 – 15:30  ABSTRACT SESSION 3 - BASIC SCIENCE AND EPIDEMIOLOGY @ Washington Room

21 - PP  PROSPECTIVE EVALUATION OF SEXUAL LIFE IN WOMEN WITH BREAST CANCER AFTER CO2 LASER TREATMENT FOR VULVOVAGINAL ATROPHY
Marotta Elena, Parma Marta, Cloffi Raffaella, Casiraghi Arianna, Candiani Massimo, Salvatore Stefano

22 - PP  IS THERE A SIGNIFICANT DIFFERENCE IN THE PSYCHOLOGICAL PROFILE OF PATIENTS WITH BLADDER DETRUSOR CONTRACTIONS (URODYNAMICALLY-CONFIRMED OAB)?
Jankiewicz Katarzyna, Wiecheteck Michal, Monist Marta, Skorupski Pawel, Semczuk Andrzej, Rechberger Tomasz

23 - PP  MESOANGIOBLASTS ENHANCE NEUROMUSCULAR HEALING IN A SIMULATED VAGINAL BIRTH INJURY RAT MODEL: DOSE RESPONSE.
Monteiro Carvalho Mori da Cunha Marina Gabriela, Giacomazzi Giorgia, Callewaert Geertje, Hympanova Lucie, Mackova Katerina, Cattani Laura, De Giuolimomi Rebecca, Albersen Maarten, Sampaolesi Maurilio, Deprest Jan

24 - PP  STRESS URINARY INCONTINENCE IN ELITE FEMALE ATHLETES AT THE 2018 COMMONWEALTH GAMES
Nugus Mike, Phillips Christian, Mike Rossiter

25 - PP  THE USE OF BIOMARKERS IN THE MANAGEMENT OF OVERACTIVE BLADDER IN FEMALE PATIENTS: A SYSTEMATIC REVIEW
Tsipakidou Sofia, Mikos Themistoklis, Pantazis Konstantinos, Grimbizis Grigoris

26 - PP  THE IMPACT ON SEXUAL FUNCTION AND SEXUALITY IN BREAST CANCER SURVIVORS WITH VULVO VAGINAL ATROPHY
Redaelli Anna, Parma Marta, Di Matteo Valentina, Cannelli Laura, Iachini Eleonora, Castellano Laura Mariangela, Candiani Massimo, Salvatore Stefano

27 - PP  "COCHRANE INCONTINENCE": WHO IS CONTRIBUTING?
Najjar Wassim, Mouanness Marco, Rameh Georges, Bazi Tony

28 - OP  PROTEOMIC PROFILE OF THE URINARY BLADDER IN OAB PATIENTS - PRELIMINARY STUDY
Nowakowski Lukasz, Futyma Konrad, Zietek Alicja, Kaminska Aleksandra, Rechberger Tomasz
15:30 – 15:50  
FOTONA SYMPOSIUM (see p. 22)  

15:50 – 16:10  
Coffee Break

20:30  
EUGA Dinner  
Confirmation needed during registration process, as booking are arranged on a first come first served basis  
See p. 20 for more details
08:00 - 09:00 EUGA AGM (EUGA members only) @Washington Room

09:00 - 10:00 ABSTRACT SESSION 4 - VIDEOS @Washington Room
Chairs: Jan Deprest, Michele Meschia, Kamil Svabik
Video Presentations (V) are scheduled to last 75 minutes (5 minutes for presentation, 2.5 minutes for discussion)

1 - V TRANSVAGINAL CORRECTION OF ISTHMOCELE: A REPORT OF FIVE CASES.
Candiani Massimo, Marotta Elena, Girardelli Serena, Tandoli Iacopo, Ottolina Jessica, Ferrari Stefano Maria, Salvatore Stefano

2 - V ATYPICAL PRESENTATION OF LABIAL ADHESIONS
Nasrallah Sebastian, Rameh Georges, El - Houst Yaser, Mouanness Marco, Fatfat Noha, Bazi Tony

3 - V LAPAROSCOPIC COLPOSACROPEXY SUTURE-SPARING WITH CYANOACRYLATE SUPPORT
Giardina Raimondo, Salci Antonino, falsaperla Maria

4 - V PROSPECTIVE RANDOMIZED TRIAL OF LAPAROSCOPIC SACROCOLOPEXY WITH LAPAROSCOPIC PECTOPEXY (POST OPERATIVE RESULTS & SHORT TERM FOLLOWUP)
Savina Akhil

5 - V TRANSVAGINAL UTEROSACRAL SUSPENSION FOR NATIVE-TISSUE REPAIR OF POST-HYSTERECTOMY ENTEROCELE
Frigieri Matteo, Manodoro Stefano, Cola Alice, Palmieri Stefania, Reato Claudio, Milani Rodolfo

6 - V ROBOT ASSISTED URETHROLYSIS AND FISTULA REPAIR POST INCONTINENCE SURGERY
Salameh Fadi-Tamas, O'Sullivan Orfhlaith E, O'Reilly Barry A

7 - V GLUTEA-SACROSPINOS-VAGINAL FISTULA AFTER VAGINAL FIXATION WITH SACROSPINOUS LIGAMENT
Mestre Costa Montserrat, Pubil Soler Josep, Lleberia Juanos Judith, Ruiz Raquel, Carballo Garcia Alejandro, Moreno Anna, Canet Yolanda

8 - V LEVATOR ANI MUSCLE INJURY. INTRAPARTUM SURGICAL REPAIR AND FOLLOW UP
Larrañaga-Azcárate Carlos, Gómez-Gutiérrez-Solana Iván, Uzcudun-Jauregui Edurne

10:00 – 10:30 SESSION 5 | MINIMALLY INVASIVE SURGERY FOR STRESS URINARY INCONTINENCE
Chairs: Renaud De Tayrac, Tomasz Rechberger, Manuela Tutolo
10:00 Why I do a single mini sling incision J. Masata
10:15 Why I do a bulking agent M. Serati

10:30 – 11:00 Coffee Break

11:00 – 12:00 SESSION 6 | SEXUAL FUNCTION THROUGHOUT THE LIFE CYCLE
Chairs: Michael Halaska, Tommaso Simoncini, Ralf Tunn
11:00 Changes in pregnancy, postpartum and breastfeeding L. Lowenstein
11:12 Changes with aging R. Nappi
11:24 Assessment in women with Pelvic Floor Dysfunction M. Espuña Pons
11:36 Urinary incontinence and female sexual disorders M. Serati
11:48 Discussion

12:00 – 13:00 ABSTRACT SESSION 5 - ORAL POSTER MISCELLANEA
Chairs: Roberto Baccichet, Gert Naumann, Marco Soligo
Oral Poster (OP) Presentations are scheduled to last 5 minutes (3 minutes for presentation, 2 minutes for discussion)

29 - OP UREIDOPYRIMIDINE-POLYCARBONATE ELECTROSPUN AND LIGHT WEIGHT POLYPROPYLENE MESHES MAY INDUCE MUSCLE ATROPHY AND INTRAMUSCULAR FAT INFECTION IN THE ABDOMINAL WALL HERNIA REPAIR IN RABBITS
Monteiro Carvalho Mori da Cunha Marina Gabriela, Hympanova Lucie, Rynkevic Rita, Mackova Katerina, Degliuomini Rebecca, Mes Tristan, Bosman Anton W., Deprest Jan

30 - OP PREVALENCE OF PELVIC PAIN IN WOMAN CANDIDATES TO PELVIC ORGAN PROLAPSE SURGERY
Ruffolo Alessandro Ferdinando, Turba Francesco, Caputo Luigi, Candiani Massimo, Salvatore Stefano

31 - OP CORRELATION BETWEEN 2/3D TRANSVERSE ULTRASOUND AND PELVIC FLOOR DYSFUNCTION ONE YEAR AFTER DELIVERY: PROSPECTIVE OBSERVATIONAL STUDY
Turri Alice, Casati Patrizia, Velna Stellio Leonardo, Soligo Marco, Messori Pietro, Cotin Irene

32 - OP THE EFFECTS OF CO2 ABLATIVE LASER TREATMENT IN PREMENOPAUSAL PATIENTS WITH VULVOVAGINAL ATROPHY (VVA) AND URINARY INCONTINENCE.
Rosner-Tenerowicz Anna, Zimmer Aleksandra, Zimmer Mariusz

33 - OP VAGINAL MESH PROCEDURE? IS YOUR MESH CAUSING YOU PAIN?
Speers Louise, Ashraf Makya, Wartan Sonia, Edwards Gareth
34 - OP  SUCCESSFUL OUTCOMES IN PERCUTANEOUS TIBIAL NERVE STIMULATION: A STUDY OF A NEW TREATMENT SERVICE.
Clarke Angela, Elnasharty Mohamer, Abdelrazik Tamer, Mortimer Valerie

35 - OP  SHOULD I OPERATE THIS WOMAN FROM HER PELVIC ORGAN PROLAPSE? A PREOPERATIVE SCORE TO PREDICT WOMEN’S IMPROVEMENT AFTER SURGERY FOR PROLAPSE.

36 - OP  OBJECTIVE OUTCOME AFTER VAGINAL MESH WITH 6 POINT FIXATION AT 1 YEAR FOLLOW-UP
Ulrich Daniela, Kuszko Andrzej, Brandt Andreas, Niesel Achim, Henrik Lutz, Füngeld Christian, Mengel Mathias

37 - OP  VAGINAL CO2 LASER IN PATIENTS WITH URODYNAMIC STRESS URINARY INCONTINENCE
Alcalay Menachem, Ben Ami Moshe, Greenshpun Anotholy, Shiff Eyal

38 - OP  IS EPI NO BIRTH TRAINER AN EFFECTIVE TOOL TO REDUCE PELVIC FLOOR INJURY AMONG PRIMIPAROUS WOMEN?
FIRST ITALIAN PROSPECTIVE RANDOMIZED-CONTROLLED SINGLE-BLIND STUDY
Pifarotti Paola, Dell’Utri Chiara, Bonfanti Irene, Scaramella Elena, Masserini Fabio, Buonaguidi Arturo Massimo

39 - OP  BEST TRAINING FOR OPTIMUM OASIS MANAGEMENT IS NEEDED
Martinez Moron Victoria, Alemany Benayas Belen, Sanchez Sanchez Maria, De Meo Stephanie, Bravo Moreno Eleazar, Perez Fernandez Elia

40 - P  I KNOW WHAT WOMEN REALLY WANT(WHEN IT COMES TO TALKING ABOUT SEX)!
Rantell Angela, Curtis Carlos, Davis Cathy, Robinson Dudley, Cardozo Linda

CME 13:00 - 13:45  CLOSING LECTURE | WHAT WAS OLD IS NEW AGAIN: ROLE OF VAGINAL RECONSTRUCTIVE SURGERY
R. Milani

13:45  LIGHT LUNCH

Sebastian Ludwig, Wolfram Jager, Peter Mallmann

152 - P  COMPARE THE RESULTS OF PELVIC FLOOR PROLAPSE REPAIR IN VAGINAL SURGERY (ANTERIOR COLPORRAPHY WITH MESH AND SACROSPINOUS LIGAMENT SUSPENSION) AND ABDOMINAL APPROACH (SACROPEXY OR HYSTEROPEXY)
Bastani Parvin, Hajebrahimi Sakineh, Chaichi Patastu, Mahla Fatima

153 - P  INVESTIGATION OF UROGYNECOLOGICAL PROBLEMS IN WOMEN EXERCISING REGULARLY
Baskan Ozden, Yagci Nesrin, Baskan Emre

154 - P  THE INTRODUCTION OF THE UROGYNAE MDT IN SHSCT AND ITS IMPACT ON PATIENT SELECTION FOR MESH INCONTINENCE SURGERY
Bailie Emily

155 - P  SURGICAL MANAGEMENT OF MESH RELATED COMPLICATIONS FOLLOWING PRIOR SURGERY FOR URINARY INCONTINENCE OR PELVIC ORGAN PROLAPSE: EXPERIENCE OF A TERTIARY UROGYNECOLOGY CENTRE IN UK.
Rajeshkhar Smita, Salahuddin Zaina, Flint Richard, Thagamoorthy Ganesh, Robinson Dudley, Cardozo Linda
156 - P  INTRODUCTION OF THE LAPAROSCOPIC APPROACH TO SACROCOLPOPEXY AND SACROCERVICOPEXY IN A DISTRICT GENERAL HOSPITAL
Daly Ciara, Boggs Edgar

157 - P  PROLAPSE SURGERY AND SEVERE COMORBIDITIES: SINGLE CENTRE EXPERIENCE WITH POPS
Zizzo Roberto, Olearo Elena, Parisi Silvia, Minelli Fosca, Re Paola, Petruzelli Paolo, Chiadò Fiorio Tin Michela, Todros Tullia

158 - P  LAPAROSCOPIC NATIVE TISSUE REPAIR COMBINED WITH PECTOPEXY FOR SEVERE PELVIC ORGAN PROLAPSE
Manevich Mazor Mirra, Bitman Genady, Livshitz Alex, Lessing Yossi

159 - P  TREATMENT OF FEMALE STRESS URINARY INCONTINENCE WITH VAGINAL ERBIUM LASER: SINGLE CENTRE EXPERIENCE OF LONG-TERM EFFICACY
Simi Giovanna, Bracco Gianluca, Nanini Chiara, Guerrieri Mariaelena, Puccetti Simone

160 - P  VALIDITY, RELIABILITY & NORMATIVE DATA OF ASSESSMENT TOOLS MEASURING PELVIC FLOOR MUSCLE FUNCTION IN MEN WITH LUTS IN THE PRESENCE OF BENIGN PROSTATE ENLARGEMENT.
Beekmans Rikie, Koops Patrick, Pool-Goudzwaard Annelles

161 - P  NEW CHALLENGES IN THE TREATMENT OF ENDOMETRIOSIS IN THE INTEGRATIVE APPROACH OF ELVIPERINEOLOGY AND UROGYNECOLOGY.
Fureš Rajko, Hotičić Damir, Šanjug Jadranka, Balagovic Ivica, Viskoviž Tonci, Gredicak Martin.

162 - P  ANTICHOLINERGIC BURDEN: A LOAD TOO HEAVY TO BEAR
Flint Richard, Araklitis George, Robinson Dudley, Cardozo Linda

NON DISCUSSED VIDEOS

9 - V  MANAGEMENT OF RECURRENT OR PERSISTENT STRESS URINARY INCONTINENCE IN WOMEN WITH A FAILED PREVIOUS MIDURETHRAL SLING.
Liapis Aggelos, Sioutis Dimitrios, Liapis Ilias, Vakas Panagiotis

10 - V  “STANDARDIZED” APICAL FIXATION – LAPAROSCOPIC BILATERAL UTEROSACRAL LIGAMENT REPLACEMENT: DEFINED MATERIAL OF DEFINED SHAPE AT DEFINED FIXATION SITES
Sebastian Ludwig, Wolfram Jäger, Peter Mallmann

11 - V  A NOVEL TECHNIQUE FOR PREVENTION OF VAULT PROLAPSE AT VAGINAL HYSTERECTOMY
O’Sullivan Orthlaith, Uzochukwu Ikechukwu, Wilkinson Michael, O’Rally Barry

12 - V  LAPAROSCOPIC SACROCOLPOPEXY FOR ADVANCED PELVIC ORGAN PROLAPS (DESCENSUS UTERI III-IV, CYSTOCELE III-IV, RECTOCELE III-IV) USING DYNAMESH
Kavallaris Andreas
SCIENTIFIC INFORMATION

ABSTRACT AGREEMENTS
If your abstract is accepted for either oral or poster session, you will be asked to accept the following conditions:
- Present the lecture in the session format assigned to you by the Scientific Committee
- Register for the conference and assume responsibility for your own registration, lodging and transportation, as well as providing a substitute presenter in case of absence.

IMPORTANT REQUIREMENTS
Presenters of accepted abstracts must pre-register for the Meeting.
Notification regarding abstract acceptance/rejection are available online and mailed individually to corresponding authors. If you are an author and have not received any e-mail notification regarding your abstract submission by EUGA Office, please send an e-mail to info@eugaoffice.org.

PRESENTATION METHODS
Podium Presentation
Video Presentation
Oral Poster Presentation
Non Discussed Posters
Podium Presentation are scheduled to last 7.5 minutes (5 minutes for presentation, 2.5 minutes for discussion);
Video Presentation are scheduled to last 7.5 minutes (5 minutes for presentation, 2.5 minutes for discussion);
Oral Poster Presentation are scheduled to last 5 minutes (3 minutes for presentation and 2 minutes for discussion).
If your abstract has been accepted as non-discussed poster, please ensure the poster size is 70cm length x 100cm height. Posters will be displayed in the Poster Area for the whole Congress duration. Authors are expected to take care of printing and positioning their respective works.

VIDEOS
If you are a video presenter, please refer to audiovisual equipment staff; they will be on site and ready to help with your video upload. Videos will be displayed in the Video Area during the congress days.

AWARDS
EUGA is pleased to announce that there will be a prize for the best podium presentations in each abstract session as well as for the best poster. The awards will be announced at the Closing Session of the Annual Meeting, on Saturday 27th October.

EACCME ACCREDITATION
EUGA X Annual meeting is accredited for Gynaecologists, Urologists, Surgeons, Neurologists and Physiatrists. 12 UEMS Credits will be granted, after online completion of the assessment questionnaire.

ITALIAN CME ACCREDITATION
ID: 257632 - N. Educational Hours: 4h - Credits: 12
The Congress has also been accredited by the Italian Health Ministry for Gynaecologist, Urologist, Physiatrists, Neurologist and General Surgeon for the sessions specified in the scientific programme.

Via Washington 66, Milan 20146 Italy
Tel.: +39 (0)2 48 521
For public transport reference, the Hotel is about 200 m. away
from ‘Wagner’ subway station (MM1 – Red Line, see map).

ACCOMMODATION
Should you wish to make a reservation, please check any updates on EUGA congress website, to see a list of any
recommended hotels near the Congress Venue [www.eugacongress.org]. Delegates and sponsors are suggested to
contact the hotels directly to arrange their bookings; however, the organising secretariat may assist you to facilitate
booking.

REGISTRATION FEES
Registrations process may be carried out online - on the Congress Website | www.eugacongress.org - or by sending the
Organizing Secretariat an email with the Registration form available on the same website.
Registration costs vary according to deadlines and subscription type. Fees are established as follows:

<table>
<thead>
<tr>
<th>DATE</th>
<th>EUGA Member</th>
<th>Non EUGA Member</th>
<th>Abstract Presenter</th>
<th>Laparoscopy Workshop</th>
</tr>
</thead>
<tbody>
<tr>
<td>UNTIL 30 JUN</td>
<td>€320</td>
<td>€470</td>
<td>€200</td>
<td>€50</td>
</tr>
<tr>
<td>1 JULY – 15 SEP</td>
<td>€400</td>
<td>€520</td>
<td>€270</td>
<td>€50</td>
</tr>
<tr>
<td>15 SEP ONWARDS</td>
<td>€470</td>
<td>€570</td>
<td>€320</td>
<td>€50</td>
</tr>
</tbody>
</table>

The congress dinner is included in the registration fee, and is especially intended as an additional benefit for congress
delegates who confirmed their participation during the registration process, by 15th September 2018. In case of group
registrations, please contact the organising secretariat at euga@defoe.it for further information. All fees are VAT exempt.
Cancellation Policy: registration fees are 50% refundable by 30th June 2018; any banking fees are not covered by refund
policy. After 30th June, no refund will be issued.

EUGA DINNER
EUGA Dinner Venue is Villa Necchi Campiglio (Via Mozart 12, 20122 Milano).
Dinner is reserved for those who confirmed their attendance during registration; the event starts at 8.30 pm. It will not be
possible to reserve a place on-site, due to logistic and organizational reasons.
A shuttle service will be available, operating a round trip service from Milan Marriott Hotel [returning to the Congress
venue at 11.30 pm].

MEDTECH EUROPE COMPLIANCE
Defoe, CME Provider and Medtech Trusted partner, submitted the congress through the Conference Vetting System for a
compliance review. The EUGA Conference (ID EMT9103) has been appointed as COMPLIANT.
Defoe will observe standard Medtech requirements to guarantee a proper and transparent management of both
sponsorship and any registration grants offered by Medtech associated industries. All arrangements are however subject
to local Laws as well as to National rules and regulations of CME/CPD accreditation.
PRE-CONGRESSIONAL WORKSHOP

08:30 – 13:45
EUGA Cadaver Lab
The workshop is organised with the contribution of Coloplast. Fully booked.
06:30
Departure from Milan Marriott Hotel | Meeting point: Hotel Lobby h. 06:20
08:00
Arrival and Registration
08:30-10:00
Theoretical Session | Briefing Room (Ground Floor)
08:30  Anatomy  A. Ercoli
09:00  SIS and MID J. P. Roovers
09:30  POP meshes R. De Tayrac
10:00-10:30 Coffee Break
10:30–13:30  Practical Session With Cadavers (Dissection Room nr 2-2nd floor) A. Ercoli
Tutors: Stavros Athanasiou, Giuseppe Campagna, Marta Garcia Gamon Valero, Gianluca Bracco, Philippe Ferry
13:30 Light Lunch
14:15 Departure from Verona, returning to the Congress Venue

CONTURA WORKSHOP | @Porta Room
Bladder Neck Injectables for the treatment of SUI
Chair: Ash Monga
The aim of the workshop is to give an overview of the current data for bulking agents, the role that they currently have in the treatment of SUI and what the role of Bulkamid may look like in the future with new RCT Bulkamid vs TVT data to be published. There is the opportunity to get hands on with the unique properties of the Bulkamid Urethral Bulking System during the workshop.
Welcome and Introduction A. Monga
Review of the current data for Bulking Agents A. Sultan
Are bulking agents now 1st line treatment for SUI; an update on the Bulkamid vs TVT Study T. Mikkola
What women want and the importance of shared decision making R. Flint
Bladder Neck Injectables Wet Lab: hands on with Bulkamid Urethral Bulking All Attendees
Agent in pigs bladders

ASTELLAS SYMPOSIUM | @Washington Room
Uncovering adaptive behaviours in OAB: getting it right first time
The objectives of the symposium are to:
- develop HCPs’ understanding of the OAB patient journey e.g. latest findings on adaptive behaviours,
- provide support to improving patient management e.g. treatment expectations, assessment of treatment & adherence to treatment
- and ultimately highlight Mirabegron added value in real-world e.g. BELIEVE data, PRO’s
Chairman’s Introduction | Patient adaptation: are we missing a key factor in OAB? S. Salvatore
Building effective patient beliefs – the key to success? R. Horne
Adapting treatment choice and patient beliefs – getting it right first time D. Robinson
Panel discussion - Q&A

PIERRE FABRE MEDICAMENT SYMPOSIUM 1 | @Washington Room
Recovery after surgery: don’t forget assessing iron status before
Iron deficiency anemia appears to be determinant in uro gynaecological surgery recovery. The aim of the symposium is to remind the importance of managing the iron status before and after surgery through concrete surgical cases.
Surgical cases presentations: Pre-menopased woman with myoma, Woman with post-partum anemia, Woman with recurrent pelvic organ prolapse
How to manage iron status per surgery
Speakers: Maurizio Serati - Stavros Athanasiou - Irene Cetin
13:00 - 13:50 Boston Scientific Lunch Meeting | @Foscolo Room
A lunch with experts tackling the question:
“What is your algorithm for the surgical treatment of Stress Urinary Incontinence?”
Debate between Pr Stefano Salvatore & Pr Renaud de Tayrac.

13:50 – 14:30 PIERRE FABRE MEDICAMENT SYMPOSIUM 2 | @Washington Room
Urgency: A symptom in need of a cure
Urgency is the cornerstone symptom when addressing OAB syndrome. It drives all subsequent OAB symptoms. This symposium aims to go deeper into the way patients express their symptoms and focus on the feeling of urgency which is essential in diagnosing OAB. The questions How a physician may search for urgency? and How physicians can manage urgency? will be presented through clinical cases.

Use of clinical cases to
1) better understand OAB patients’ point of views and complaints
2) assess most adapted therapeutical options
- Analysis from RCTs will expose the clinical benefits of the latest antimuscarinics
- Discussion will focus on urgency, a neglected symptom
Speakers: Monserrat Espuna Pons - Andrea Tubaro - Stefano Salvatore

15:30 -15:50 FOTONA SYMPOSIUM | @Washington Room
FotonaSMOOTH(R) - ErYAG laser technology for minimally invasive gynecological procedures
The aim of the presentation is to give an overview of minimaly invasive FotonaSmooth(R) technology used in gynaecology and to present the ever-growing body of clinical evidence supporting the safety and effectiveness of the FotonaSmooth(R) technology.

The technology and overview of clinical results
B. O'Reilly

17:10 – 17:30 COLOPLAST SYMPOSIUM | @Washington Room
Evaluation of Restorelle® DirectFix anterior and posterior; about the progress of vaginal mesh surgery
The aim is to determine the intraoperative and postoperative complication rates after anterior POP repair involving an ultralight mesh.
